To the Constituents of the New 11th Supervisory District:

You are probably aware by now that the Milwaukee County Board reduced its numbers from 25 to 19, starting with the 2004 term. Thus, the districts are larger. County Board members now serve approximately 52,000 constituents instead of the 40,000 they served before. (Please see the map below for the updated district.) The major change is that the district now includes a significant part of Franklin. The 11th District maintained roughly 75% of its original area, which includes Milwaukee and Greenfield.

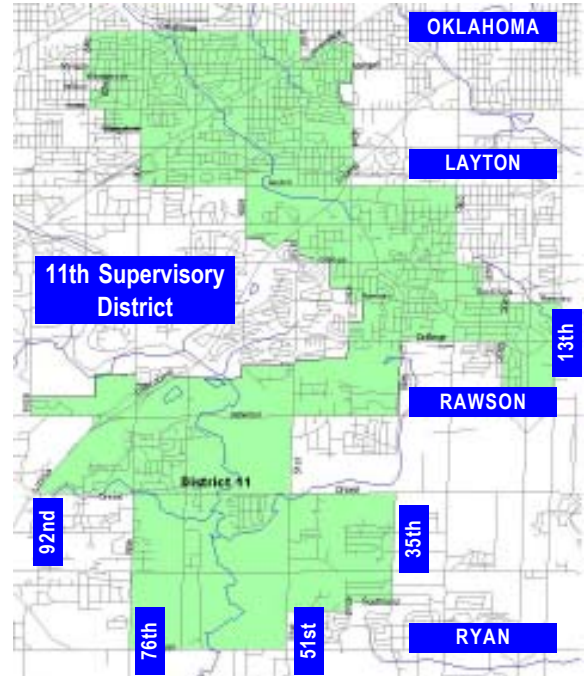

I want to thank the residents of the 11th District for re-electing me to serve you. It is a responsibility and challenge that I take very seriously.

The past year brought the 100th Anniversary of Harley-Davidson right to the district. Layton Avenue from 60th to 65th Streets was closed to all traffic except emergency vehicles.

The outstanding crowd from around the world patronized many area merchants.

Thank you to the City of Greenfield, Fire, Police and Public Works department, along with Milwaukee County staff. A huge thank you to all of you for your patience and goodwill. This event was a once-in-a-lifetime happening.

As always,
please call on me anytime.

Happy 50th, Honey Creek School!

Honey Creek Elementary School, located at 6701 W. Eden Place, is celebrating its 50th Birthday on Thursday, September 9, 2004. The school is encouraging past friends and alumni of Honey Creek to join the current students and staff for an evening of fun by visiting with old classmates, former teachers and friends, browsing through display boards and books of old memories and pictures, or watching a video of how the school has changed through the years. *If you know any former students or staff, please help spread the word about the celebration.* For more information please call Pat Larsen at 414-604-7924.

25 Years of Service

I would once again like to mention those residents of the 11th District who have worked for the County for 25 years or more. I am extremely proud of the fact that so many hard working, industrious Milwaukee County employees are members of my district.

Those people with 25 years of service are: **Mary Braasch, Robert Heindl and Anthony D'Acquisto.**

Congratulations and keep up the great work.

Senior Dining in the City of Franklin!

In 2001, the Department on Aging and members of the Milwaukee County Board of Supervisors began to examine ways to bring needed senior services and meals to the southwest area of Milwaukee County in response to the community's need and the growing number of seniors.

As a result of this survey, there is now a new gathering place that seniors can use and receive services. A ceremony held June 22 in the newly renovated Community Room at the Franklin City Hall, located at 9229 West Loomis Road, celebrated the completion of the room and the start of Senior Dining!

Several groups have worked together on this project, including staff from the City of Franklin, the Milwaukee County Department on Aging, the Interfaith Older Adult

Program and the fine members of the Franklin Senior Citizens, Inc.

What is Senior Dining?

Once known as the Elderly Nutrition Program or the Senior Meal Program, Senior Dining has been a part of the fiber in Milwaukee County services for more than 30 years. The program receives funding from the State of Wisconsin's Bureau on Aging, Title 111-C of the Federal Older Americans Act and contributions from seniors in our community.

What is the Cost?

Each meal costs \$5.50 for the catering and administrative expenses of the Senior Dining Program. Federal and state tax dollars contribute about \$3.50 towards the cost. Another \$2 per meal is needed to keep the program going. **Each senior is asked to contribute \$2 per meal.** If this amount is a hardship for you, please give whatever you can.

What's on the Menu?

Menus must meet Federal guidelines for nutritional and calorie content. We offer a wide variety of foods. Menus are posted at the meal sites and copies are available to take home.

How Do I Sign Up?

Each diner must sign up by completing a registration card, which requires a driver's license or a senior citizen identification card. You will then receive a diner's card that may be used to dine at any of the Milwaukee County Senior Dining Meal locations.

Diners must place a reservation for the date they wish to dine at least one day in advance, in person or by phone, from 9:30 a.m. to 12:15 p.m. weekdays. Franklin City Hall's dedicated phone number for senior dining reservations is 427-7696.

Meal service is at 11:30 a.m. Please arrive **before** 11:30 to be seated.
